The Friends of Camp Perry is soliciting donations from American Legion, VFW and AmVets posts to help sponsor a disabled/injured veteran to come and be able to shoot at the Springfield and Garand Matches this year at Camp Perry. The M-1s for Vets program provides rifles and assistance for those vets who would still like to shoot in a competitive environment but lack the ability to shoot on their own. Approximately 15 to 16 injured vets will be attending the matches again this year. Sponsorship covers housing, entry fees and meals. Sponsorship for one veteran is \$500. If you could solicit you posts for donations of \$50 to \$100 to help sponsor a veteran, we would greatly appreciate it, but any donations would be accepted.

Donations should be sent to:

Treasurer, Friends of Camp Perry  
P. O. Box 803  
Port Clinton, OH 43452
